

# Planning Pyramid – Differentiated Instruction

**Subject:** Writing  
**Topic:** Letters  
**Teacher:** Shirley Swiatowy  
**Grade:** 3      **Room:** 112

Activities will be a series of tasks – with options – that students automatically move to when s/he finishes an assignment.

Activities have the same content and achieve the same essential learning component, but are varied based on readiness, interest or learning profile/style.
